## Minister's Message

My brothers and sisters  
in St. Francis,

As I write these brief notes for  
our upcoming newsletter, I am  
a couple days away from

receiving my second dose COVID-19 vaccination. A  
sense of optimism is in the air. Every Wednesday  
since March 25, 2020, we have been praying a  
Rosary for the end of the COVID-19 crisis. God is  
listening to our prayers. To join our 7 pm CT weekly  
Rosary, call: 978-990-5000 and enter the access code: 328279.

The end is in sight, but we cannot spike the ball at  
the 5 yard line like Dr. Fauci reminds us. We must  
remain vigilant. In this cautious spirit, the La Verna  
Regional Council (REC) has decided to hold a  
blended Chapter of Elections this year. This blended  
event will be part online using Zoom and part in  
person. Many of the business issues like reports and  
budgets will be handled using Zoom. However,  
according to Canon Law, we need to hold our  
elections in person, no exceptions for COVID-19.  
Below are the dates for our upcoming Chapter.

**June 18, 2021** from 6-8 PM Central will be part 1 of  
our Virtual Chapter held via Zoom. We will focus on  
nuts and bolts issues like budget and reports.

**June 19, 2021** from 6-8 PM Central will be part 2 of  
our Virtual Chapter held via Zoom. We will focus on  
formation and spirituality.

**June 26, 2021** from 10:00 AM-2:00 PM Central, local  
ministers (or their delegate) and the REC will meet in  
person at St. Mary of the Angels Church (650 S Irwin  
Ave, Green Bay, WI 54301) to carry out our elections.  
Dennis Ross, OFS, will be our Presider at the  
Chapter of Elections and Fr. Chris Shorrock, OFM,  
Conv. will be the Friar Witness.

## Mary Magdalene Announces Easter Message

by Ed Boss, OFS

Mary Magdalene's faith journey did not end when Jesus  
died on the cross. John's Gospel reading explains how  
Mary's faith took on a dramatic transformation.

### Jesus Appears To Mary Magdalene

Mary stood outside the tomb crying where Jesus was  
buried, but when she bent over to look into the tomb,

she saw two angels in white,  
seated where Jesus' body had  
been, one at the head and the  
other at the foot. They asked  
her, "Woman, why are you  
crying?" "They have taken my  
Lord away," Mary said, "and I  
don't know where they have  
put him." At this moment, she  
turned around and saw Jesus  
standing there, thinking he  
was the gardener. A moment  
later, she recognized Jesus'

voice calling her "Mary," and in return she called Jesus  
by his Jewish title, "Rabbouni" (John 20:16).

Filled with new faith proclaiming that Christ is risen,  
Mary quickly returns to  
the disciples proclaiming  
"I have seen the Lord!"  
and reports Jesus'  
message: "I am  
ascending to my Father  
and your Father, to my  
God and your God." Her  
faith journey goes from  
grieving the departure of  
Jesus, to announcing his  
resurrection to the  
disciples. Mary  
Magdalene is often called the apostle to the apostles.

Easter Message - continued on page 2

Secular Franciscans at all levels continue to meet either virtually or in person during the COVID-19 pandemic. As a reminder, if Fraternity members are deciding to meet in person, always remember to wear a mask, maintain at least 6 feet of physical distancing, wash or disinfect hands often and stay home if you are sick. The Local Ministers of the various Fraternities in the La Verna Region are meeting each month via Zoom with the REC.

Discussion topics have ranged from Franciscan hope in a challenging world to planning for the upcoming Chapter of Elections. JoAnn Boss, OFS and the Formation team is holding periodic gatherings using the Zoom technology. The conversations at these formation gatherings have been very deep and led by the Holy Spirit. I am meeting virtually with other Regional Ministers located throughout the United States every couple of months to discuss challenges we face as Regional Ministers.

One of the blessings of the pandemic has been the use of technology like Zoom and Free Conference Call to gather virtually, a benefit I see continuing even after the COVID-19 crisis ends. The discussions during these virtual gatherings has allowed me to grow deeper in my Franciscanism. On Friday, March 19, 2021, during a Formation Zoom gathering, Joe Kuczkowski, OFS, shared, we need to have a "radical acceptance of others." Br. Jerome also said the pandemic has allowed us to take a "fast" from the negativity of our society. Joe and Br. Jerome's ideas really hit home for me. This time of physical distancing has made me more aware of how important our connections with others are. I have a deeper appreciation for my relationships with my Franciscan sisters and brothers and I look forward to the day when we all can gather again in person. With the Holy Spirit as our guide let's live out our Rule each day.

Peace and Joy! Jeff

---

I like to think Franciscans sometimes witness our faith journey similar to Mary Magdalene: sometimes mistaking Jesus for the gardener, but only later to recognize that Christ is right there with us all the time.

Our daily preoccupations with family, local fraternity duties, careers, even with our best intentions, like Mary Magdalene standing in the garden next to Jesus, may catch us off guard. But hopefully only for a moment or two. Or at least until His voice calls out our name. Easter blessings to you and your family.

### **Your Vision through the OFS Articles**

by JoAnn Boss, OFS  
Formation Team Chairperson

Franciscans love celebrations! Our charism praises life in daily prayer and embraces Gospel wisdom steeped within our Rule. Saint Francis said in our Rule Prologue: "*Oh, how happy and blessed are these men and women when they do these things and persevere in doing them, because the "spirit of the Lord will rest upon them."*

You may remember that in June 2018 we celebrated the 40<sup>th</sup> Anniversary of our 1978 Rule which succeeded the "Memoriale Propositi" written in 1221, which was then approved by Pope Honorius III. That OFS-USA celebration lasted an entire year. During 2018, Lee Ann Niebuhr, OFS, La Verna Regional Spiritual Assistant, encouraged each of us to instill ongoing formation focus by: "1) Explain each specific [Rule] article in his/her own words; 2) Write comments about each article; 3) Write a list of suggestions for living out the article in 2018 and beyond"[1] Take a moment today to revisit your focus of our Rule. What words or comments helped your revision on how you lived out the OFS articles? What daily conversion comes to mind and how is your heart celebrating that transformation?

Now in 2021 we will again celebrate our Rule. This time it's the 800<sup>th</sup>

Anniversary of our First Rule **"Memoriale Propositi."** Along with the Third Order Regulars, we recall how ordinary people, "good people", wanted to follow Francis' message and his way of life that reflected the life of Jesus in the Gospel. How may we go about following Francis' message?

Our Franciscan movement today is played out within Chapter 3 of our OFS Rule—**Life in Fraternity**—which outlines articles 20 through 26. In spirit, these six articles are precious gifts that describe our Franciscan identity to the community. By working these six articles, they take us from saying we are Franciscan to working Franciscan. Articles 20 - 26 are the heart and soul of the management of our Order, which bestow spiritual fruits of formation within us and our fraternal community.

Without a firm and ever-growing foundation of Chapter 2—**The Way of Life**—articles 4 through 19, becoming and being Secular Franciscan would wax and wane. Co-responsibility for our Order would rest only in a few elected professed. I dare to say our Secular Franciscan Family would look more like a club or social gathering, or at best, a great book club discussion group or religious program, not a **Way of Life**. We are a Family, as Chapter One, articles 1 to 3 note. The Secular Franciscan Order Rule sets the tone for us to be Family. It confirms us to be in fraternity as "... brothers and sisters, led by the Spirit, strive for perfect charity in ... [our] own secular state. By ... [our] profession ... [we] pledge ... [ourselves] to live the gospel in the manner of Saint Francis by means of this rule approved by the Church."

Our OFS International, National, and Regional Councils are striving to offer greater support and guidance to all fraternities, far and wide as well as our local La Verna fraternities. In **2021**, the OFS General Chapter will celebrate *Animate and Guide with Servant Leadership*. It is detailed in the document INSTRUMENTUM LABORIS which Diane Menditto OFS, USA National Formation Commission Chairs as outlined in five of her Face Book Formation Fridays February 12, 2021 through March 12, 2021. Her questions are a great way to examine our Franciscan way of "being" and how to "be" more fully engage our Franciscan identity. "How does the ongoing formation program [or initial formation] in your local fraternity make YOU celebrate being Franciscan?"

The COVID-19 virus postponed celebrating our special Jubilee anniversary of the Quinquennial Congress that was to happen this summer. But no fear! We will get to celebrate this next summer **2022** as we "renew our Franciscan calling in the spirit of conversion" August 3-7, 2022 Phoenix, AZ. We can

get into the swing early and begin to consider attending or with the spirit of conversion make plans to renew our Franciscan call in our local and regional gatherings.

**Lets Celebrate!**

### Franciscan "Well4Africa" project refreshes land, people and spirit

During the European OFS and YouFra Congress held In Lithuania in 2018 a social initiative was born. Since the theme of this Congress was "Whoever believes in me, rivers of living water will flow from within him" (Jn 7:38), the initial

purpose of this social initiative was to bear concrete fruit ensuring safe drinking water for three

communities in Uganda, Zimbabwe and Malawi. After the Congress, seeing serious support from many national fraternities, the CIOFS Presidency decided that “Well4Africa” was to become a permanent project of the whole Secular Franciscan Order, entrusting its management to the National Council of Lithuania. The social initiative of the OFS has fully implemented 6 water projects and has two more under way.

“Well4Africa” has already completed Namane and St. Lawrence water projects in Malawi, Kihani water project in Uganda, Sibi water project in Ghana, Shisong water project in Cameroon and St. Peter’s well in Masenyane, Zimbabwe. At the moment, “Well4Africa” has Kongo water project in Ghana under way and is starting the initial phase of a new project in Mutemwa Leprosy Care Centre, Zimbabwe.

## The Leadership of the US-6 Franciscan Friars

Assumption of the Blessed Virgin Mary Province • Holy Name Province • Our Lady of Guadalupe Province  
Sacred Heart Province • St. Barbara Province • St. John the Baptist Province

### **National OFM News** - March 2021 -

In accordance with the Catholic-Franciscan tradition, which recognizes and celebrates the God-given dignity of every human being, the leadership of six provinces belonging to the Order of Friars Minor in the United States have added their support to a statement signed by Catholic bishops and dozens of religious orders and institutions that condemns bullying and other acts of violence toward LGBT youth.

Ten U.S. Catholic bishops signed a statement in January 2021 that supports the Tyler Clementi Foundation in its vital work of standing up for LGBT youth, who are vulnerable to and experience high rates of bullying, harassment, violence and suicide. In signing on to this statement, the leadership of the Franciscan friars reaffirmed their support of their LGBT sisters and brothers and condemned any form of violence against them.

The Franciscan leaders who signed the statement are Fr. Jim Gannon, OFM, of Assumption of the Blessed Virgin Mary Province (based in Franklin, Wis.), Fr. Kevin Mullen, OFM, of Holy Name Province (New York City), Fr. Ron Walters, OFM, of Our Lady of Guadalupe Province (Albuquerque, N.M.), Fr. Thomas Nairn, OFM, of Sacred Heart Province (St. Louis, Mo.), Fr. David Gaa, OFM, of St. Barbara Province (Oakland, Calif.) and Fr. Mark Soehner, OFM, of St. John the Baptist Province (Cincinnati, Ohio).

The statement, “God Is on Your Side: A Statement from Catholic Bishops on Protecting LGBT Youth,” is below: As we see in the Gospels, Jesus Christ taught love, mercy and welcome for all people, especially for those who felt persecuted or marginalized in any way; and the Catechism of the Catholic Church teaches that LGBT people are to be treated with “respect, compassion and sensitivity.”

**US-6 Friars** - continued on page 6

All people of goodwill should help, support, and defend LGBT youth; who attempt suicide at much higher rates than their straight counterparts; who are often homeless because of families who reject them; who are rejected, bullied and harassed; and who are the target of violent acts at alarming rates.

The Catholic Church values the God-given dignity of all human life and we take this opportunity to say to our LGBT friends, especially young people, that we stand with you and oppose any form of violence, bullying or harassment directed at you. Most of all, know that God created you, God loves you and God is on your side.

## Draw

“And when I am lifted up, I shall draw everyone to myself.”

John 12:32

I sensed this “draw” in a recent gathering of formators from the La Verna region. It was palpable. Through the grace of the Holy Spirit, we went to a level of honest, humble sharing that brought joy to my heart. We reached beyond doing to being. Longing to grow into the mind and heart of Christ rose up. We left our political and cultural camps for a while to go outside our usual conversation into communion with each other. The quest for holiness was sprang up. We encouraged each other with heartfelt stories of our struggles to live the Gospel life.

This connecting at a deeper level with our sisters and brothers, this gentle surprise that happened between us, I strongly believe, a **key** to a new springtime for Franciscans. It shapes and forms our identities in Christ as no amount of book learning could ever do. Books are fine but fall limp in the presence of hearts meeting hearts, enlightened with the Spirit Francis prayed for before the Crucifix.

The following poem is about cherishing such moments:

Saint Francis would gather the members of the Order for a chapter of mats – where the members of the Order would take up their mats and meet for the purpose of prayer, formation, sharing and jubilation. We continue that tradition. Every five years, members of our National Family gather for the same purpose. Our documents call this a “National Congress,” and this gathering has come to be known as the “Quinquennial,” or “Q” for short. Of course, today, we are far more comfortable – we don’t have to sleep on mats – but our intention is the same.

# That I May See

by Bill Johnson, OFS  
St. Paschal Baylon Fraternity, Wind Lake, WI

Beyond prejudice  
injustice  
hatred and war

Lord, that I may see

Beyond  
abuse of power  
gluttony, greed and lust

Lord, that I may see

Beyond indignity  
neglect, discouragement  
and fear

Lord, that I may see

Your Love  
Your Peace  
Your Gifts  
Your Glory

Lord, that I may see

You!

In all hearts  
In all souls  
In all life
